To Our Customer:

Information with reference to: "Particle Board" or "Ready to Assemble" furniture

Most manufacturers of this type of furniture suggest that these items should not be moved. They are made to be assembled just once and are not made to withstand the rigors of transportation. Due to this fact, it is not possible to guarantee that they will arrive in good condition, regardless of how much care is taken with them.

Because of this, we ask that you choose one of the following options:

Please circle your choice, sign and date below.

- 1 Do not include these items in the shipment.
- 2 Included these items, with the understanding that the carrier cannot be responsible for any damages to these items due to the inherent weakness built into the is type of furniture.
- 3 Disassemble these items by owner or Third Party prior to the carrier taking possession.
